

2002 EWDA REPORT

This year's meeting of the European Section of the WDA (EWDA) was held in association with the European Association of Zoo and Wildlife Veterinarians in May in Heidelberg, Germany. Minutes of the general meeting can be found in the July 2002 Supplement. T. Morner has stepped down and the new European Section Chair is M. Artois. Other Officers include Vice Chair K. Frolich, Treasurer U. Hofle, Secretary C. Gortazar, Newsletter Editor P. Duff, and Website coordinator R. Delahay. This section has a number of ongoing projects. The EWDA is asking the European Union for funds to establish a European network of wildlife diagnostic laboratories. The section is also working hard to encourage attendance of students at their meetings and has established a Student Presentation Award.
